Gentlemen:

Upon reviewing our files we found that an Application for Permit to Drill (APD) for the Jicarilla 457-10SJ #8 was filed on July 30, 1999, and approved October 20, 1999. The APD expired October 20, 2000. The well was not drilled and a new APD must be filed if Mallon Oil Company plans to drill the well in the future.

If you have any questions, please feel free to contact me at (505) 761-8910.

Sincerely,

Angie Medina-Jones
