Subject: Applications for Unorthodox Locations for Wells in the San Juan 29-6 & 30-5 Units requested by Phillips Petroleum Company

Mr. Stogner,

I received in this weeks mail, NSL Applications and your accompanying letter for wells which have been restaked at orthodox locations. Thank you for returning same to us. I have been notified that we have also restaked some additional wells, therefore we will not need NSL's approved for the following wells:

San Juan 29-6 Unit #69M
#86M
#97M
#98M

San Juan 30-5 Unit #21A

D-24-30N-5W
#104E *J-13-30N-5W*
#113 *M-11-30-5W*

Mr. Richard Allred (Our Drilling Supervisor) is providing this same information to the Aztec Office this afternoon.

We apologize for this inconvenience and appreciate the cooperation of the OCD in working with us on this matter.

Very Truly Yours,

S. Scott Prather
