SUBJECT: Southern Union Production well,
Largo Federal No. 1 (MD),
SW 34-29-9, San Juan County,
New Mexico.

Dear Mr. Arnold:

Both zones of the above captioned well was first delivered into the gathering system of El Paso Natural Gas Company October 13, 1965. This well was scheduled for Initial and Annual Deliverability Test with the flow chart ending November 9, 1965. The charts relative to this well along with some 700 more have been lost or misplaced. Tests for this well have been re-scheduled and will be submitted by Southern Union Production Company at a later date.

We request that the 60 day limiting period for filing Initial Production Tests be waived for this well.

If there are any questions concerning this matter please call on us.

Yours very truly,

EL PASO NATURAL GAS COMPANY
