Gentlemen:

This letter shall serve as your authority to produce the above well.

A copy of this letter so advises the gas transporter.

Yours very truly

*Re: Zachry Federal #1
Section 34-29N-10W*

Gentlemen:

You were notified on August 15, 1960 that the above well was delinquent for 1960 annual deliverability test.

As we have heard nothing from you in the matter, we are instructing the gas transporter to shut the well in until further notice from this office.

Yours very truly

Gentlemen:

Oil Conservation Commission Order R-333 requires that all gas wells in the San Juan Basin have annual deliverability tests.

A check of records reveals that we have never received tests on the above wells. Please shedule these wells for tests as soon as possible.

Yours very truly,

Emery C. Arnold
Supervisor, District #3
