Re: Form C-107-A (Application to Downhole Commingle)
Callow Federal Well No. 1
Unit I, Section 33, T-29 North, R-13 West, NMPM,
San Juan County, New Mexico

Dear Ms. King:

 The Division received this application on January 29, 2001. On March 26, 2001, I spoke to you by phone and asked you to submit additional information on how the allocation of production from each of the commingled zones was determined. I have not received any further communication from you since that time. I am therefore returning the application to you unprocessed.

Any further consideration of this application by the Division will require that you re-file this application, either administratively or by hearing before a Division examiner.

If you should have any questions, please contact me at (505) 476-3466.

Sincerely,

David Catanach
Engineer
