RE: Pit Closures
State A Gas Com #1, G-36-29N-11W
State E Gas Com #1, O-16-29N-10W

Dear Mr. Renick:

Field inspections conducted early this summer by the NMOCD revealed that all pits located on the above mentioned locations were dry and unstained. This letter serves as confirmation that Arco was given verbal permission to proceed with closing these pits without conducting any further environmental assessments.

Yours Truly,

Dianna K. Fairhurst
