Dear Rand:

The above-mentioned wells are orphan wells that are ready to plug & abandon. We have already plugged the Navajo 20 #3 under an emergency contract and the remaining wells should be addressed when funds are available. Did you receive the \$15,000 bond from the BLM?

I have enclosed a BLM approved P&A procedure for each well. Please notify me of your schedule and when I may expect to begin work. If there is any other paper work needed please feel free to contact me at 334-6178.

Sincerely,

Johnny Robinson
