Re: Temporary abandonments

Gentlemen:

Our records indicate that temporary abandonment approvals have expired on two wells:

Earl H. Morris A #1	K-26-29N-10W	(Dakota)
Roy Sullivan A #1	N-28-29N-10W	(Dakota)

In both wells, the Dakota formation is temporarily abandoned with a bridge-plug.

Please file immediately for multiple completion, downhole commingling, or permanent abandonment.

Sincerely,

A handwritten signature in cursive script, appearing to read "Frank T. Chavez".
