*Re: Packer Leakage Test
Keyes Gas Unit "C" #1
N-29-29N-10W*

Dear Mr. Bauer:

*Subject test as submitted does not show conclusive evidence
of zone separation.*

*Please schedule an annual type packer leakage test immediately
following the initial deliverability test of the Fruitland zone.
The results of such test should clarify the results of the
initial packer leakage test.*

If we can be of assistance, please contact us.

Yours very truly
