Dallas 1, Texas

Attention: Mr. Kenneth A. Swanson

Administrative Order NSL-241

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Haged Well No. 18-G to be located 1630 feet from the South line and 1570 feet from the West line of Section 29, Township 29 North, Range 13 West, Totah-Gallup Oil Pool, San Juan County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in said Section 29.

By authority granted me under provisions of Rule 104 (f) of the Commission Rules and Regulations, you are hereby granted an exception for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey if the well is located on land subject to the jurisdiction of the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, Jr.,
Secretary-Director

Santa Fe, N.M.

Attention:

Reference is made to your application for a permit
to drill an exploration well located on your property, well No.
100-100-100, located 1840 feet from the north line and 2310
feet from the east line of Section 20, Township 19 North,
Range 13 West, Tarrant County, Texas.

If you understand that this exploration well
location is based upon extreme topographic conditions in
said Section 20.

By authority granted me under provisions of Rule 134 (c)
of the Commission Rules and Regulations, you are hereby granted
an exception for the above described exploration well location.
You must also obtain title approval from the U. S. Geological
Survey, if the well is located on land subject to the jurisdiction
of the U. S. Geological Survey.

Very truly yours,

A. M. ROBERT, Jr.
Secretary
