Oil Conservation Commission  
District No. 3  
Aztec, New Mexico

Gentlemen:

We are submitting herewith Notice of Intention to Drill and wish to state that the location is placed as it is for the reason that any location farther to the West would place the well in a swampy location.

It would be impossible to make a location on this lower ground and permission is respectfully requested for approval of this location 100 feet from the North line and 885 feet from the East line of the NE $\frac{1}{4}$  of Section 28, Township 29 N., Range 11 W.

Very truly yours,

*Will R. Mints*
