Re: El Pamco, Inc., Sullivan #6, B-25-29N-11W

Dear John:

We have no record of the plugging of the Pictured Cliffs formation in the above captioned well.

P
The enclosed Packer-leakage test report shows the zone to be plugged.

Please cause forms C-103 showing the plugging to be filed.

Packer-leakage tests will not be required after one zone is plugged.

Y
Yours very truly,

A. R. Kendrick
Engineer, District #3
