Re: Aztec Oil & Gas Co.
Aztec Totah Unit #~~18~~ 9
M-20-29N-13W

Dear Mr. Van Ryan:

An intention to repair the subject well was filed in May, 1974.

A subsequent report of repair has not been received.

A suspected casing leak was reported in 1975. No report of remedial action has been received.

If remedial action has not commenced on November 1, 1976, a case will be called before the Commission to allow all interested parties to appear and to show why the well should not be repaired or plugged.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick
Supervisor, District #3
