Gentlemen:

Reference is made to your letter of May 4 pertaining to the drilling of a well to be located 1278' from the north line and 1027' from the west line of Section 22, Township 29 North, Range 11 West, San Juan County, New Mexico.

This will serve as your permission to drill the proposed well to approximately 900 feet, so as to test the Farmington sandstone.

Please bear in mind that in order for you to drill this well any deeper than the Farmington sandstone, it will be necessary for you to either dedicate 160 acres (NW/4) to the well, to obtain an unorthodox proration unit of approximately 140 acres, or force communitize the unleased 20 acres in the NW/4 with your holdings.

Very truly yours,

W. B. Macey  
Secretary - Director
