Re: Bond No. U-38786 - 8537 - C. M. Page and J. L. Davis

Gentlemen:

We understand that the well covered under the captioned bond is now a producing well and has been sold to Melborne Petroleum Corporation.

Can the above bond be released? Also, can it be transferred to the Melborne Petroleum Corporation?

Your usual prompt reply will be appreciated.

Very truly yours,

BERGER, BRIGGS & CO.
