Dear Sir:

Our Martinez Gas Unit "D" No. 1, Unit B, Section 24, T-29-N, R-10-W, in Aztec-Pictured Cliffs Field, was on deliverability test March 9 - April 6, 1958. This well was initially tied into purchasing pipeline on March 1, 1958.

Due to late scheduling on the above well, we would appreciate being granted a 15-day extension to the regular 45-day period allowed for submitting the test forms.

Yours very truly,

PAN AMERICAN PETROLEUM CORPORATION
