Dear Sir:

Replying to your letter of July 31, 1958, I have written to Otto Reynolds on several occasions and telephoned him on my way thru Albuquerque in September, to give me the information requested in your letter. To this date I have not heard from him.

Since Bloomfield is so close to you, and Reynolds address is General Delivery there (his telephone is listed in the book), would you contact him and ask him to send you the information. Mr. Reynolds handled the plugging of the well and he said it met with the approval of your office. When you get this information would you send me the form for my signature so the bond can be released.

Yours very truly,

W. D. Dozier
