We recently received a letter from Mr. C.O. Bockleman regarding plugging notice on his #1 Hare well located in the NM₂ Section 23-29N-11W.

On February 24, 1958 you filed with this office Notice of Intention to Plug. We have never received Form C-103 indicating that plugging had been accomplished.

Will you please give this matter your attention, so that Mr. Bockleman's bond may be cancelled.
