RE: Elvis L. Roberts Well, \$10,000.00
Plugging Bond

Gentlemen:

We represent Lavern Roberts, Independent Executrix of the Estate of Elvis L. Roberts, Deceased. We have been advised that the Estate was the operator of a well which was drilled in your area, a dry hole, which needs to be plugged. We enclose herewith the original and two copies of Form C-103, advising the specifications for plugging this well.

We have been furnished the names of several oil well services companies in your area who we believe are capable of doing this work, and the enclosed form is submitted with the view of securing your approval of the specifications for plugging this well.

It would be appreciated if you would examine this form closely and advise us if these are the correct specifications for plugging the well. If you approve these specifications, we intend to forward same to several oil well service companies in your area asking that they bid on the job.

If there is any further information we should have in order to proceed with the plugging of this well, it would be appreciated if you would advise us.

Yours very truly,

BROCK, WATERS AND PIGG
