Dear Mr. Padilla:

Mr. Larry Bedford of Bedford, Inc. phoned me to report that he has not received payment for plugging the captioned well.

The work was approved July, 11, 1979.

We cannot afford for the incompetence of others to cause the plugging contractors to avoid working for us. We will be calling for more contracts in the near future.

Please initiate another follow-up on your request for payment.

If we can be of assistance, please contact us.

Yours very truly,

A. R. Kendrick
District Supervisor
