Dear Mr. Aikman:

The forms C-128, Surveyor's and/or Gas Well Dedication Plat, which we received in this office for your #1 Maxey well had been signed by Mr. John Garrett, Drilling Superintendent of Sage Drilling Company, as an agent for you. The plat indicated that 160 acres, the northeast quarter of Section 24-29N-12W, was dedicated to the well for Pictured Cliffs gas production.

If this does not meet with your approval, please contact us at once.

Yours very truly,
