Dear Mr. Mitchie:

The Oil Conservation Division hereby approves the above-referenced plugging bond effective this date.

I note that there are several location errors on this bond and I would appreciate it if you would issue a rider with these changes: 790 feet from the South line and 1100 feet from the West line of Section 15, Township 29 North, Range 11 West, NMPM, San Juan County, New Mexico.

Thank you for your assistance with this.
