Re: Francis L. Harvey
#1 Mary Hare, SE/4 14-29N-11W

Att: Mr. R. R. Spurrier, Director

Dear Mr. Spurrier:

Referring to my letter to you of July 5 in which was enclosed a plat showing the location and a letter of consent of the adjoining landowners, which was as follows:

"Attached hereto is a plat showing the location of Francis L. Harvey #1 Mary Hare located 1270 feet from the East line and 770 feet from the South line of Section 14, Township 29 N, Range 11 West, together with note from the Offset Landowners to the South stating they have no objection to the location of this well. This also shows that Mrs. Mary Hare owns all of the Southeast quarter of Section 14, on which the well was drilled. " I note at this point that the real reason for this location, being the nature of the terrain which is traversed with Mr. Hare's irrigation system, was not mentioned. To have made a regular location there would have been an added expense and burden both to myself and the landowner, Mr. Hare.

Hoping that this amendment to that letter will meet with your approval and will allow the final approval of the Notice of Intention to Drill so that we may go ahead and produce the well from the Fruitland sand, after finding the Pictured Cliffs dry,

Yours very truly,

Francis L. Harvey

SECRET

1. The first part of the report is a general statement of the purpose and scope of the study. It states that the purpose of the study is to determine the effect of the new tax law on the income of the average family. The scope of the study is limited to the income of the average family in the United States.

1. The first of these is the fact that the evidence is not sufficient to establish that the defendant was in the area of the crime at the time it was committed. The evidence is not sufficient to establish that the defendant was in the area of the crime at the time it was committed.
