Dear Bobbie:

You recently sent us approval on bond filed by Alex C. Hare, Bloomfield, New Mexico, covering a well in the SE $\frac{1}{4}$  15-29N-11W, which was originally operated by the Basin Natural Gas Company. Basin Natural Gas is transferring this well to Mr. Hare and we have today approved Form C-103 covering the transfer. Will you please notify Basin Natural Gas Company and their bonding company of the cancellation of the Basin Natural Gas Company bond covering this location?
