Dear Sir:

Reference is made to your letter of February 2, 1963 regarding the acreage dedication to the Basin Company #1 Fawkes well located in the SE $\frac{1}{4}$ Section 18-29N-13W.

We have reviewed all the papers in our file for this well and find that the original C-128 filed showed a 120-acre dedication. On November 30, 1959 an administrative order was issued approving this non-standard unit consisting of 120 acres. We do not find any revised Form C-128 showing the unit increased to 160 acres, nor do we have a copy of the communitization agreement to which you refer.

We are mailing back to you for completion the Form C-128 which you have submitted. Please outline the exact acreage to be dedicated and answer the questions at the top of the plat regarding present ownership. I presume that this would be the SE quarter of Section 18. Upon receipt of your plat we will issue a supplement correcting the acreage factor on this well.

Yours very truly

*Emery C. Arnold
Supervisor, District #3*
