Dear Sir:

We have an interest in the Fawkes No. 1 producing gas well located on the property described in the attached Assignment of Oil & Gas Lease to Ted M. White from E. W. Fawkes and Bernice C. Fawkes, dated April 29, 1959, and recorded in Book 411, Page 170 the first part of May 1960 in the County Assessor's Office, Aztec, N.M., which is self-explanatory.

We have learned this well was hooked up ^{the gas} and turned into the Southern Union Gas Company's pipe line January 15, 1960.

We have been told that the purchaser of the gas from such wells is required by law to make an accurate report of the daily runs of gas received into his lines regularly to your office. If this is correct, could you furnish us with a copy of the reports of the gas runs from this well to date. Also, will you please give us the allowable on this well?

We will appreciate your advising us regarding this matter, and thank you kindly for your reply.

If you have any other information which would be pertinent to the subject we would be glad to get it.

Sincerely yours,

E. W. Fawkes

P.S. Does your office get a copy of the Division Order? Would your office also be informed of payments made for gas runs? We would be interested in knowing the procedure in this matter.
