Gentlemen:

We are attempting to establish the ownership of a Ransom #1 producing gas well located in San Juan, New Mexico. A Mr. F. B. Marshall has given us a mortgage on his share of this well. We contacted the County Clerk for San Juan County and they were able to help us somewhat on this matter but suggested that we write you as you might be able to determine information desired. Your assistance will be appreciated.

Yours truly,

A. C. Lane
