The only address we have is in Farmington, New Mexico. We have had our  
letters returned unclaimed from that address.*

*Our records reflect that a shut-in notice was issued October 2, 1957 for the

Dear Sir:

According to our records, we have a Ranson lease, well number 11 section 13 29N 11W operated by Marshall Drilling Company, who has never submitted a monthly unit report to this office. We have written to the Marshall Drilling Company; however, our letters have returned unclaimed.

Please investigate this lease for us and if this well is in operation, let us know who the operator is and his address.

Very truly yours,

Oil and Gas Accounting Commission
