Gentlemen:

El Paso Natural Gas Company has received a curtailment notice, posted in the 1966 Redistribution Schedule, for the above captioned well.

El Paso is of the opinion that this well requires production each month in order to avoid loss of the lease for non-production.

In accordance with the provisions of Order No. R-2404-A, El Paso Natural Gas Company hereby applies for special permission to produce up to 500 MCF of gas per month from the above captioned well.

If any further information is needed to process this application, please advise me.

Yours very truly,
