re: Well #1, R-8-29N-12W

Dear Mr. Hudson:

Notice of Intention to Drill filed with the Federal Office has been received in this office. Form C-128 attached to said notice indicates that other operators own an interest in the Gallup zone within the 40 acres dedicated to such well. Upon completion of communitization agreement please notify this office. The well should not be produced until this office has received a copy of the communitization agreement.

Yours very truly

A. R. Kendrick  
Engineer, District #3

1/17/77

Dear Sirs:

I am writing to you regarding the matter of the preservation of the historical records of the City of Albany. It is my understanding that you are currently reviewing the records of the City and are considering the best way to preserve them for the future. I am writing to you to express my concern that the records of the City should be preserved in a way that will ensure their long-term survival and accessibility to the public.

I am writing to you to express my concern that the records of the City should be preserved in a way that will ensure their long-term survival and accessibility to the public. I am writing to you to express my concern that the records of the City should be preserved in a way that will ensure their long-term survival and accessibility to the public.

Sincerely,  
[Signature]

Enclosed for you are two copies of a report on the preservation of historical records. I am writing to you to express my concern that the records of the City should be preserved in a way that will ensure their long-term survival and accessibility to the public.
