Re: Delinquent Initial Deliverability Tests

Gentlemen:

Our records indicate that the initial deliverability tests for the below listed wells are delinquent. Order R-333-F-2 subjects the wells to loss of one day's allowable for each day the test is late. Non-prorated wells will be ordered shut in one day for each day the test is late.

Leslie K #1 F-7-29N-12W First delivered 9-3-78 Test Due 12-2-78

If you have any questions, please call this office.
