Re: request made for a C-103 or C-104 report
indicating change of operator name from
Sunray DX Oil Co. to Dugan Prod. Corp. for
the Sunray DX Oil Co.-Federal "I" #1-E in
11-29N-14.

Would I be correct in assuming that attached report
is what was used to make subject change on your
weekly-change-list or did you recieve a C-104?

Thanking You,
