Mr. Ted M. White
P. O. Box 718
El Paso, Texas

Dear Mr. White:

We find an extreme lack of information on your #7 Cornell well.

Forms C-104 were filed but they were not completed.

We need the dates spudded and completed, casing and cementing information, tubing information and the present status of the well.

We have not received copies of Miscellaneous Reports on Wells, Miscellaneous Notices or Well Records as required by Rule 1128 of the "Rules and Regulations".

Submit all necessary information as soon as is practical to help get your records in order.

Yours very truly,

A. R. Kendrick
Engineer, District 3
