Dear Mr. White:

Our attention has been directed to the Form C-104 submitted on your Cornell #6 well in Unit C, Section 11-29N-12W. The location is the same as your Cornell #8. Unfortunately, the error was not discovered until the forms had been distributed.

Please cause corrected copies of the Form C-104 to be submitted to this office in quadruplicate. The Form C-110 is being held in this office pending receipt of Gas Well Dedication Plats. Consider the Forms C-104 dated December 10, 1955 and stamped received February 20, 1956 as being rescinded as of this date.

Yours very truly
