Dallas 1, Texas

Dear Mr. White:

Our records show your #6 Cornell well to be in Unit C, Section 11, Township 29N, Range 12 West, and the #8 Cornell well to be in Unit K, Section 10-29N-12W. If our records are in error, please file Form C-103 showing the location corrections. Also, please notify each of your agents as to the location of each of these wells.

The confusion caused by erroneous forms filed on these two wells requires too much of our time.

Gas Well Flats received April 2, 1956 for the #6 well show the location of the #8. They are being returned to Mr. Fannin. The Forms C-110 on the #6 are being held for the corrected Gas Well Flats or for corrected locations, whichever the case may be.

Yours very truly

A. R. Kendrick
Engineer, District #3
