Dear Virgil:

Division order R-6978 issued July 26, 1982, ordered the referenced wells to be plugged and abandoned within 180 days. As per your request, Mr. Joe Ramey granted the Price #1 a 60 day extension for evaluation on October 29, 1982. As the order has not been complied with and no reports have been filed since this date, you are directed to plug and abandon these wells in a Division approved manner within 60 days.

Failure to comply will result in the matter being referred to our legal department for further action.

Yours truly,
