Dear Mr. Arnold:

With reference to your letter of May 13, 1958, to Alfred E. McLane of this office, requiring an Initial Deliverability Test to be filed on the A. E. McLane #1 White-Allen, F-1-29N-12W, this is to advise you that this well was sold by Mr. McLane and Mr. Ted M. White to El Paso Natural Gas Company in February of this year.

I contacted El Paso Natural with respect to this test and their operating office stated they were somewhat behind in running such test and had obtained an extension.

Since this is the responsibility of El Paso Natural Gas Company, we would appreciate it if you would revise your records to show that well is owned by El Paso Natural, and contact them with reference to such test.

Very truly yours,

Lewis Chandler
