Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

7-2-86

We would like approval to temporary abandon this well rather than to plug & abandon. We feel we still may be able to salvage this well by either pumping the water off the Dakota formation or running a smaller string of tubing back in to help well bore clean up. We would like 6 months temporary abandonment.
