Dear Mr. Arnold:

We have sold our interest in the above Lease and Well as of October 1, 1968. I assume that the new owners will be getting in touch with you to file any necessary papers with you to reflect the new ownership.

Some day we hope to return to the Four Corners Area to do more drilling.

It has been many years since our geologist, John Burress, and I met with you.

I sincerely hope that all is well with you and with best wishes and personal regards. I remain.

Very truly yours,
