Re: Pubco Federal No. 1 Well -
NE $\frac{1}{4}$ Section 1, 29N-11W
(145.60 acres)

Mr. Emery C. Arnold
Supervisor, District #3
New Mexico Oil Conservation Commission
Post Office Box 697
Aztec, New Mexico

Dear Mr. Arnold:

Reference is made to your letter of January 26, 1956, advising that the captioned drilling unit is non-standard. Please be advised that we are in the process of filing our application for exception to Rule 6(a) or Order R-565-C, with the Commission in Santa Fe.

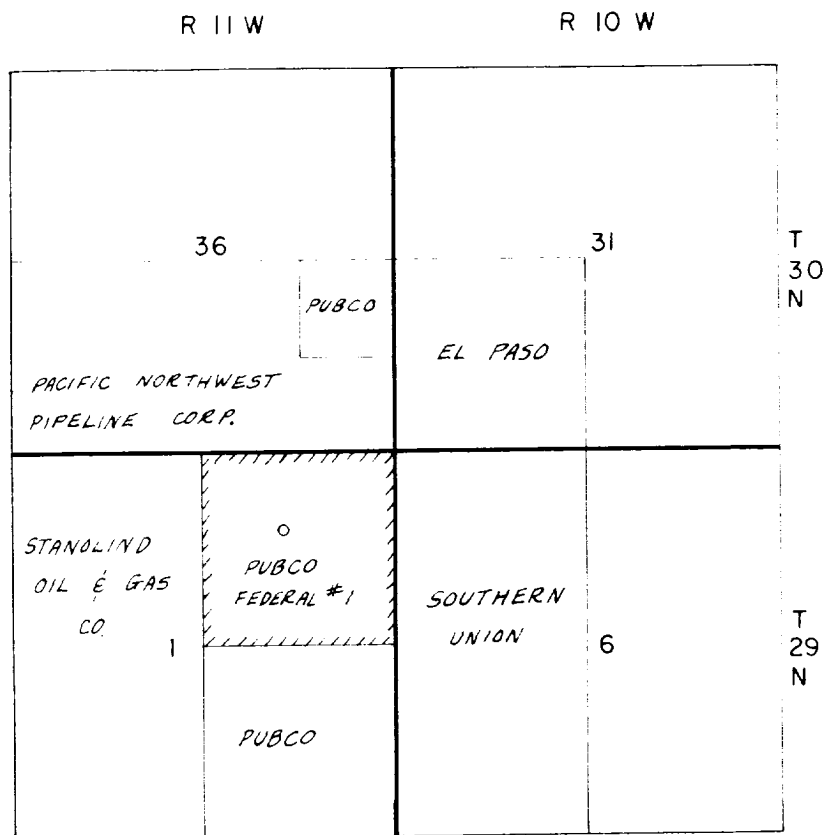

With reference to the second paragraph of your letter of January 26, 1956, this drill site is located on acreage acquired by Pubco through a recent KGS sale at Santa Fe, hence the reason for our naming this well the Pubco Federal No. 1.

We wish to thank you for calling the matter of non-standard unit to our attention and trust that administrative approval will be forthcoming prior to completion of the well.

Yours very truly,

Frank D. Gorham, Jr.
