Gentlemen:

This letter is written to rescind approval of Form C-110 filed in connection with the above well on August 24, 1962 showing the operator as John M. Pettus. The C-110 filed on August 17, 1962, changing the operator to Pettus & Associates is hereby validated as approved.

It is also our understanding that the transporter should be shown as La Mar Trucking, Inc. rather than Inland Crude Inc. by LaMar Trucking.

Yours very truly
