Dear Emery:

It seems that the J. J. Dempsey Hutchison No. 1 has been delinquent for deliverability test since February 1, 1959. I contacted Mrs. Dempsey and she tells me that they have recently filed a 1959 test in your office. I suggest that you use this test and issue a supplement which will make the test effective on the date you receive the test in your office. We can then begin assigning a 1500 MCF per month allowable.

Very truly yours,

E. A. Utz
Gas Engineer
