Mr. A. L. Porter, Secretary and Director

Box 2088  
Santa Fe, New Mexico - 87501

Dear Sir:

This is a request for administrative approval for an unorthodox gas well location in the Aztec Pictured Cliffs Pool.

It is intended to locate the well, El Paso Natural Gas Co. Green Com No. 1, 1935' from the north line and 825' from the west line of Section 36, Township 29 North, Range 9 West, N.M.P.M., San Juan County, New Mexico. The NW/4 of Section 36 is dedicated to this well.

As shown on the plat, the NW/4 consists of Largo Wash. The only feasible land for a well in the NW/4 is that which makes the location unorthodox. It is, therefore, planned to make the location unorthodox in order that the extremely high cost of maintaining an orthodox location be avoided.

El Paso Natural Gas Co. has the verbal consent to said location from the offset operator.

I am enclosing two copies of the certified well location plat, and two copies of the notice of intention to drill.

Yours very truly,

ORIGINAL SIGNED E. S. OBERLY
