Dear Sir:

We have received two copies of Federal "Application for Permit to Drill" along with Commission Form C-102 for your Simmons #8 well located in the SE $\frac{1}{4}$  Section 25-29N-9W.

We have a dependent resurvey plat for township 29N-9W dated July 2, 1952 which has corrected the acreage in the southeast quarter of Section 25 to 151.69 acres. We are therefore correcting your acreage according to the resurvey.

Yours very truly
