Farmington, New Mexico 87401

Re: Clarence W. Adair Pearson Well No. 1,
NW/4 of Section 29, Township 29 North,
Range 10 West, San Juan County, New
Mexico, Non-Standard Proration Unit

Dear Mr. Pearson:

The following information is needed before the Commission can approve your application for the above-mentioned non-standard proration unit:

1. Written consent in the form of waivers from Pan American Petroleum Corporation, Mayme E. Morgan, et al, and Eugene M. Davie, et al.
2. In lieu of the above requirement, you may furnish proof of the fact that all of the aforesaid operators were notified by registered or certified mail of your intent to form such non-standard unit.

We regret the long delay and hope that this matter can be completed shortly.

Very truly yours,

GEORGE M. HATCH
Attorney

The following information is needed before the classification of documents your application for the above-mentioned can be made:

For information on the above mentioned persons, please refer to the following references:

1. The American Petroleum Institute, Washington, D.C., and the National M. Davis, et al.

My boy, Christopher, was 14 at the time of
the attack. He was a very bright and
active boy, and was a member of the
Boy Scouts. He was a very popular
boy, and was very well liked by
all of his friends. He was a very
kind and gentle boy, and was very
popular with the girls. He was a very
good student, and was very well
liked by his teachers. He was a very
good person, and was very well
liked by all of his friends.
