Undesignated Fruitland
Formation, San Juan County
New Mexico

Gentlemen:

The owner of the above well has requested that I write you regarding present status of his application to sell gas to El Paso Natural Gas Company from the well.

He has informed me that his application was mailed in March, 1966 and that he has been unable, from subsequent correspondence, to determine the present status of the application.

Any information you can furnish regarding this matter will be appreciated.

Yours very truly

Emery C. Arnold
Supervisor, District #3
