

THE APPLICATION OF TENNECO OIL COMPANY
FOR A DUAL COMPLETION.

ORDER NO. MC-1935

ADMINISTRATIVE ORDER
OF THE OIL CONSERVATION COMMISSION

Under the provisions of Rule 112-A, Tenneco Oil Company made application to the New Mexico Oil Conservation Commission on December 11, 1970, for permission to dually complete its Florance Well No. 105 located in Unit P of Section 23, Township 30 North, Range 8 West, NMPM, San Juan County, New Mexico, in such a manner as to produce gas from the Fruitland formation and the Pictured Cliffs formation.

Now, on this 31st day of December, 1970, the Secretary-Director finds:

(1) That application has been duly filed under the provisions of Rule 112-A of the Commission's Rules and Regulations;

(2) That satisfactory information has been provided that all operators of offset acreage have been duly notified; and

(3) That no objections have been received within the waiting period as prescribed by said rule.

(4) That the proposed dual completion will not cause waste nor impair correlative rights.

(5) That the mechanics of the proposed dual completion are feasible and consonant with good conservation practices.

IT IS THEREFORE ORDERED:

That the applicant herein, Tenneco Oil Company, be and the same is hereby authorized to dually complete its Florance Well No. 105 located in Unit P of Section 23, Township 30 North, Range 8 West, NMPM, San Juan County, New Mexico, in such a manner as to produce gas from the Fruitland formation and the Pictured Cliffs formation through the casing-tubing annulus and the tubing respectively.

PROVIDED HOWEVER, That applicant shall complete, operate, and produce said well in accordance with the provisions of Rule 112-A.

PROVIDED FURTHER, That applicant shall take packer-leakage tests upon completion and annually thereafter.

IT IS FURTHER ORDERED: That jurisdiction of this cause is hereby retained for the entry of such further orders as the Commission may deem necessary.

DONE at Santa Fe, New Mexico, on the day and year hereinabove designated.

THE APPLICATION OF THE 1900 OIL CONSERVATION ACT
FOR A WELL COMPETITION

ADMINISTRATIVE ORDER
ON THE OIL CONSERVATION COMMISSION

Under the provisions of Rule 11-1, General Oil Company, Inc., is authorized to file an application with the Oil Conservation Commission on Form No. 1, for permission to drill a well in the Florida West No. 103, located in Section 14, Township 13 North, Range 1 East, West, Florida, in a manner as to produce gas from the formation and the formation itself.

Now, on this day of December, 1911, the Secretary of the Commission

(1) That application has been duly filed and the Commission is authorized to issue a permit to drill a well in the Florida West No. 103, located in Section 14, Township 13 North, Range 1 East, West, Florida, in a manner as to produce gas from the formation and the formation itself.

(2) That the Commission has been provided that the Commission is authorized to issue a permit to drill a well in the Florida West No. 103, located in Section 14, Township 13 North, Range 1 East, West, Florida, in a manner as to produce gas from the formation and the formation itself.

(3) That the Commission has been provided that the Commission is authorized to issue a permit to drill a well in the Florida West No. 103, located in Section 14, Township 13 North, Range 1 East, West, Florida, in a manner as to produce gas from the formation and the formation itself.

(4) That the Commission is authorized to issue a permit to drill a well in the Florida West No. 103, located in Section 14, Township 13 North, Range 1 East, West, Florida, in a manner as to produce gas from the formation and the formation itself.

(5) That the Commission is authorized to issue a permit to drill a well in the Florida West No. 103, located in Section 14, Township 13 North, Range 1 East, West, Florida, in a manner as to produce gas from the formation and the formation itself.

IT IS HEREBY ORDERED:

That the application of General Oil Company, Inc., for permission to drill a well in the Florida West No. 103, located in Section 14, Township 13 North, Range 1 East, West, Florida, in a manner as to produce gas from the formation and the formation itself, is hereby approved and the Commission is authorized to issue a permit to drill a well in the Florida West No. 103, located in Section 14, Township 13 North, Range 1 East, West, Florida, in a manner as to produce gas from the formation and the formation itself.

PROVIDED HOWEVER, That applicant shall comply with the provisions of the 1900 Oil Conservation Act, and the Commission is authorized to issue a permit to drill a well in the Florida West No. 103, located in Section 14, Township 13 North, Range 1 East, West, Florida, in a manner as to produce gas from the formation and the formation itself.

PROVIDED FURTHER, That applicant shall comply with the provisions of the 1900 Oil Conservation Act, and the Commission is authorized to issue a permit to drill a well in the Florida West No. 103, located in Section 14, Township 13 North, Range 1 East, West, Florida, in a manner as to produce gas from the formation and the formation itself.

IT IS FURTHER ORDERED, That the Commission is authorized to issue a permit to drill a well in the Florida West No. 103, located in Section 14, Township 13 North, Range 1 East, West, Florida, in a manner as to produce gas from the formation and the formation itself.

DONE at New York, New York, this day of December, 1911.
