North Hogback 12 #3, B-12-29N-17W

Dear Mr. Duncan:

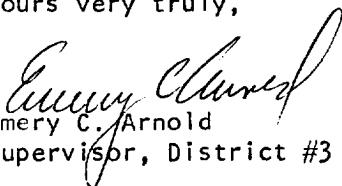

Notice of Intention to Drill for the above well was received in this office on July 12, 1968. No further reports were received.

If the location was abandoned, will you please file five copies of Federal Form 9-331 in Farmington so indicating? The U. S. G. S. will forward two copies to us.

If the well was drilled, please submit drilling and completion reports with the U. S. G. S. so that they may forward copies to us.

Thank you.

Yours very truly,

Emery C. Arnold
