Indian Chaco Bend #2, F-14-29N-17W

Dear Mr. Whigham:

Our records indicate the above wells were drilled in late 1969. Notice of Intention to Plug and Abandon were filed for each well, but we have never received our copies of Federal Form 9-330, Well Completion Report, or Form 9-331 for subsequent report of plugging and abandonment.

Will you please file five copies of each form with the U. S. G. S. office in Farmington, New Mexico? They will in turn forward two copies of each to us.

Thank you.

Yours very truly,

Emery C. Arnold
Supervisor, District #3
