Dear Mr. Blackburn:

We have copies of Federal Notice of Intention to Drill for a well designated as the Navajo 19 # 1A, L-19-29N-18W. As this is the first well you have drilled in this forty acre tract, the well is not defined as a "skid well". In order to make your well number comply to the system used by the New Mexico Oil Conservation Commission, I am changing the well number to #2.

Please contact us if this is not agreeable.

Thank you.

Yours very truly,

Emery C. Arnold
Supervisor, District #3
